HELPING TO (SEE) A BRIGHTER FUTURE

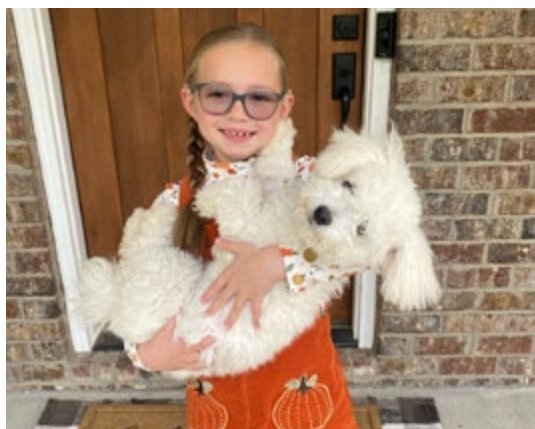

All proceeds benefit Usher 1F Collaborative, which funds medical research to find an effective treatment to save or restore the vision of those with Usher syndrome type 1F.

*To register online & pay by credit card, please go to:
usher1f.org/outing*

WHAT IS USHER 1F

Usher syndrome is a genetic syndrome that affects hearing, balance and vision. Those with USHER 1F are born profoundly deaf and gradually lose their eyesight.

Although the Collaborative has funded a tremendous amount of research with select scientists throughout the globe, we still need your help!
